Feature Artist Franki Saldivar

Franki Saldivar

This year's show features the work of Gainesville native, Franki Saldivar. Franki became interested in photography in high school, serving on the year-book staff in high school and on into her freshman year of college. Although she is an accountant by trade and not a professional photographer, she has been blessed to go to many interesting destinations throughout her life, usually with her camera in tow. In 2021 and 2022 she travelled with a small group to Alaska, having a professional photographer as their guide, and brought back many once-in-a-lifetime pictures. She loves being out in nature, and her favorite subject to shoot over the years has been wildflowers in Colorado where she regularly travels in the summer. Her favorite photographic quote is, "God creates the beauty. My camera and I are the witness."
