PARD uses Remind!

*****Parents must join the class/group in order to receive messages*****

Remind is a free, safe, and easy way for us to reach you with important information. You can choose to receive notifications by text, email, or the app.

Due to new class size limitations implemented by Remind last year, we will now have 2 different Remind groups for parents. One class will be for baseball and softball only, not including T-Ball. The other class will be for T-Ball only. If you have children in baseball/softball and T-ball, you will need to join both groups.

PARD Baseball/Softball Parents:

If you would like to join the **PARD Baseball/Softball Parents** Remind group to receive important updates via the Remind app, the class code is **@wbpardbats**. This is the same class from previous years.

If you do not have the app, and would like text notifications regarding baseball/softball, text the message **@wbpardbats** to the number **81010**.

PARD T-Ball Parents:

If you would like to join the **PARD T-ball Parents** Remind group to receive important updates via the Remind app, the class code is **@pardtball**.

If you do not have the app, and would like text notifications regarding T-ball, text the message **@pardtball** to the number **81010**.

What Will My Child Need to Play?

Jerseys and hats are provided by PARD and included in the registration fee. Players are in uniform and able to play if they are wearing the provided jersey and hat. Coaches will choose the color of pants, belt, and socks for those wanting to purchase these items. Cleats are not mandatory, but rubber cleats are recommended. No metal cleats are allowed.

All players will need a glove and batting helmet.

PARD provides catcher's gear for all teams. PARD also provides a softball mask for 8U softball pitchers.

Bats are recommended, but not required for each player. PARD provides a USA Baseball stamped bat for all T-ball teams and 8U Baseball teams, and teammates may have extra bats that can be borrowed. Parents wanting to purchase a bat for T-ball and baseball should purchase a bat with the USA Baseball stamp to be legal for Dixie play. Softball players will need to use a softball bat.

All 2 5/8" bats and 2 1/4" bats must meet new performance standards established by USA Baseball, the national governing body of amateur baseball in the United States. A complete listing of approved bats is available at www.usabat.com.

All bats with the BPF 1.15 stamp will not be eligible for DYB play in 2018 and thereafter.
