## **What Will My Child Need to Play?**

Jerseys and hats are provided by PARD and included in the registration fee. Players are in uniform and able to play if they are wearing the provided jersey and hat. Coaches will choose the color of pants, belt, and socks for those wanting to purchase these items. Cleats are not

mandatory, but rubber cleats are recommended. No metal cleats are allowed.

All players will need a glove and batting helmet.

PARD provides catcher's gear for all teams. PARD also provides a softball mask for 8U softball pitchers.

Bats are recommended, but not required for each player. PARD provides a USA Baseball stamped bat for all T-ball teams and 8U Baseball teams, and teammates may have extra bats that can be borrowed. Parents wanting to purchase a bat for T-ball and baseball should purchase a bat with the USA Baseball stamp to be legal for Dixie play.

Softball players will need to use an ASA/USSSA approved softball bat.

All 2 5/8" bats and 2 1/4" bats must meet new performance standards established by USA Baseball in the United States. A complete list of approved bats can be found at [www.usabat.com](http://www.usabat.com).

Starting in 2018, all youth baseball players must use a helmet that meets the USA Baseball safety standard for DYB play in 2018 and thereafter.
