

City Administrator's Office

Julie Arrington, City Administrator

I began with the City of Whitesboro in September 2023. I have a total of twenty five years municipal experience with the last five years as a City Administrator and 15 years experience as a City Secretary. I graduated in 2018 from the University of Texas at Arlington with my Master's in Public Administration. I hold a bachelors of Applied Arts and Science with a concentration in Paralegal/Legal Studies, Public Administration and Emergency Management from the University of North Texas, Denton. I am a Texas Registered Municipal Clerk and Certified Pool Operator.

I grew up in Carrollton Texas and am a high school graduate of R.L. Turner. I spent many weekends on Lake Texoma fishing or playing soccer. I come from a large extended family and have family from all around Southeastern Oklahoma and Northeastern Texas. John and I have three children and five grandchildren who live nearby. We raised our older children in Little Elm Texas and lived there for 15 years. I enjoy outdoor activities, all sports, and music genre's.

We are extremely happy to be here and look forward to being a part of the community.

Responsibility

The City Manager/Administrator is appointed by council and is responsible for overseeing all the city's operations on a continuing basis and for reporting to the council on behalf of the various departments. The City Manager/Administrator is the highest link in the chain of command for staff and acts as the liaison between staff and council, boards, or committees. All delegation of responsibilities from council will go through the City Manager/Administrator and vice versa.
